

September 2, 2014

Effective October 1, 2014, Hewlett-Packard will increase list prices on select HP Original LaserJet Toner Cartridges by approximately 10%. This price increase will affect a total of 120 legacy toner products.

This move is a result of HP's standard portfolio management process. As part of this process HP regularly reviews pricing for all its products and makes adjustments, as appropriate.

As always, HP is committed to developing products and services that meet its customers' needs. This includes HP Original LaserJet Toner Cartridges, which will continue to provide the superior value, reliability and high-quality output that customers have come to expect from HP.

Please contact the HP Authorized Partner you purchase from for information regarding specific pricing and availability.
